

To our **wonderful** children,

Thank you so much for all of the beautiful recordings you have sent in. Mike and I were super impressed by how well you all followed the instructions and how **amazing** your voices sounded! Now, before I share the finished recording with you I have one more request. Can you send me a photo of you singing to the same email address, music@st-alloysius.co.uk? You might want to copy one of the poses on the pictures below! I will use these pictures to make a video to accompany the song. Please try to send them in by 3 o'clock on Tuesday.

Okay, now for the next part of the project!

The next song we are going to record is called '***We'll Meet Again***'. This time we are going to make it **even bigger** and join together with some other schools. How **exciting**! Mike has very kindly written another letter to you all (which I have attached) providing instructions on how to record yourself singing and then how to send your recordings in to us, please note, **the email address for this song is different so make sure you read Mike's letter carefully!** We look forward to hearing all of your gorgeous voices again!

With love and best wishes

Miss Doughty
